iSofter DVD Ripper Platinum is design for backup your favorite DVD movie to your computer by converting DVD to AVI, DivX, XviD, VCD, WMV, MPEG4 format video files, with almost same quality, but just only 10% size.

With optimized profiles, you can convert DVD Movie to iPod Video, Microsoft Zune, Pocket PC, 3GP Mobile Phone or any other MP4 player, such as iRiver, Archos, Creative Zen Vision and more. Even you can use the video editor profile to output avi file for your video editing software, such as Adobe Premiere, Sony Vegas.

It also support ripping MTV, music DVD to MP3 audio, you can listen to your favorite movies on your iPod now!

Key Features

Optimized profiles
With optimized profiles, you can convert DVD Movie to iPod Video, Microsoft Zune, Pocket PC, 3GP Mobile Phone or any other MP4 player or format only one click

External codec Support
Our program can use external codec's power feature to optimize the output video quality

Vob Scan support
With vob scan support you can open ifo file's or rip your vob file to any video format

Suited for both veterans and beginners:
If you are a veteran, you will find there are so many options you can set, if it's the first time you rip DVDs, you don't have to consider these options, just use default settings and rip DVDs in a few clicks.

Auto check your CPU type:
Check your CPU type auto, that ensure you can rip your DVDs with the best ripping speed.

Support preview:
You can preview the movies before you begin ripping them, even you can watch the movies at the same time when you are ripping DVDs.

Rip at will:
You can rip entire DVD movie or just one or several chapters;

Easy-to-use interface:
Most functions can be called up with a simple mouse click or menu selection. You can conveniently make skins for isoft DVD Ripper through our color scheme system.

Flexible settings:
iSoft DVD Ripper Platinum is able to automatically detect the input video formats and then set the application's parameters for the best possible performance. The default parameters work in most cases, but you can change them easily to best suit your needs.

Support batch conversion:
Select all files you want to rip and smart DVD Ripper will auto copy them one by one.
