This convenient and simple **Ainsofts Blu-ray Copy** can help you copy Blu-ray movies to Blu-ray or DVD discs. It can not only copy the main movie, but also support copying overall content on Blu-ray disc including BD BonusView, BD Live etc. Here below are its features.

- Support copy of single DVD Burner.
- Support disc-to-disc burn with faster rate.
- Support all popular Blu-ray burners.
- Identify the model of Blu-ray burner automatically.
- Can automatically analysis and show you remnant space of Hard disc

Key Features

Support copy of single CD Burner

If you only have one Blu-ray burner, you can copy the Blu-ray files to Hard disc space at 1:1 ratio with the help of ainSofts Blu-ray Copy, then burn the files to target Blu-ray disc from your Hard disc without any loss of quality.

Support disc-to-disc burn

Ainsofts Blu-ray Copy can get you disc to disc burn if you have two Blu-ray burners, and the copy rate is much faster than carrying out a single burner copy.

Other functions

AinSofts Blu-ray Copy support all popular Blu-ray burners. It can not only identify the model of Blu-ray burner automatically, but also automatically analysis and show you remnant space of Hard disc, and it will popup a message if there is not enough space on hard disc. You can use it to backup your Blu-ray movies easily.
