This perfect **AinSoft Blu-ray to PS3 Converter** will help you convert Blu-ray to PS3 and DVD to PS3 formats, the quality and conversion rate will be the highest. Additional function settings under preview window cannot only help you convert your favorite audio and video clips but also can help you snapshot beautiful pictures.

Here are some of its features:

- Support Blu-ray MKB Version 1-10.
- With high conversion rate and quality.
- Tracks are selectable.
- Subtitles are selectable.
- Titles are securable
- Movie clip function.

Key Features

Be independent of third party control.

With this Blu-ray to PS3 Converter, you can convert your Blu-ray and general DVD directly after installing and don't need to get help from a third party control if your Blu-ray MKB is version of 1-10.

Subtitles are selectable.

Ainsoft Blu-ray to PS3 Converter can help you select one kind of subtitles as you like which your original Blu-ray movies had.

Tracks are selectable.

Select proper sound track for you from your original Blu-ray or general DVD movies with Ainsoft Blu-ray to PS3 Converter.

Titles are securable.

You can acquire titles from your original Blu-ray or DVD movies when you converting, it makes converted Audio and Video files as complete and sequential as original movies.

Rich additional function

Blu-ray to PS3 Converter can help you make your favorite audio and video clips by setting the beginning and end time. You can also set the quality of audio and video after converting to get your favorite size. If you like to enrich your picture folder, the snapshot in preview window will help you with this.
