Aiseesoft MP3 to DVD Burner is the best MP3 DVD Burner software to help you to burn MP3 to DVD/CD with excellent quality. More valuable, this MP3 to DVD Burner can also create DVD from all other audio/video formats such as AAC, AC3, M4A, AVI, MPG, MPEG, MP4, WMV, MOV and HD videos such as MTS, M2TS, HD WMV. It can not only burn DVD from all video/audio formats, but also can output DVD files to Hard Disk.

More specific output settings in this MP3 to DVD Burner software are also available for you to adjust: you can choose the provided picture as the menu and sub menu background. More codec parameters are also available for you to adjust: Encoder, Sample Rate, Channels, Audio Bitrate. Before you begin the burning, you can view the effect in the preview window in advance for you to get the exact DVD file.
