### **Why choose Print Creations for Mac?**

- Projects include Greeting Card, Photo Calendar, Album Page, Photo Book, Brochure and more
- Print from home, send to a professional printing service, or share by email and on the web
- High quality and easy-to-use templates
- Automatically add greetings

### **Multi-Touch control in project design and preview**

Face Beautify reduces blemishes on the face such as wrinkles, moles, spots, and freckles. It also adjusts face color, brightens eyes, removes red-eye, whitens & repairs teeth, adds color to lips, and so on.

### **1-click to change layout/frame/background**

Easily change the layout, frame or background of your photo; all are just in 1-Click.

### **Key Features**

#### **12-in-1 Photo Creating Solution**

Integrate 12 photo projects like Greeting Card, Photo Calendar, Brochure into one application for you, and each photo project provides a full set of professionally designed templates and layouts for all occasions and in all kinds of styles.

#### **High Quality Templates, Easy to Design**

Offers various templates and creative content, and hundreds of templates are free to download. Templates are easy to design, Mac users only need to add their own pictures and text; allows you to change layout/frame/background with just 1-click.

### **Powerful and Easy to use Photo Editing**

---

Powerful editing functions allows you to customize your printings, all are just in 3 clicks or even less. Face Cleaning allows you to clear out the face skin and reduce wrinkles and large pores while preserving distinct facial traits.

### **Easy and Convenient to Print**

With built-in Print Wizard, you can easily print your double-sided pages or folded greeting cards with just a few clicks.

## **System requirements**
