Audio Conversion Wizard 2.0

Audio Conversion Wizard is "All to All" converter of digital audio formats with friendly Wizard-style interface, which helps you easily convert:

- WMA to MP3, OGG Vorbis, FLAC, WAV PCM
- WMA to WMA (resampling)
- MP3 to WMA 9, OGG Vorbis, FLAC, WAV PCM
- MP3 to MP3 (resampling)
- OGG Vorbis to WMA 9, MP3, FLAC, WAV PCM
- OGG Vorbis to OGG Vorbis
- FLAC to MP3, WMA 9, OGG Vorbis, WAV PCM

with ID3 Tag v2 copying and creation.

Main features

Wizard-style User's Interface
Friendly and self explaining step-by-step user's interface allows you to convert your digital audio just after you have downloaded it from our website without wasting your time reading huge help files: all possible actions are described in detail on each Wizard's page.

Batch Conversion Support
If you have several files to convert you can use inbuilt batch conversion, it greatly decrease number of key strokes and mouse clicks.

Fast Conversion Speed
Audio formats conversion is performed directly, without any temporary WAV files, this fact means higher converting speed and economy of hard disk resource. Fast processing speed saves your time and high conversion quality allows you really to enjoy your digital audio.

Best Audio Codecs Support
Audio Conversion Wizard uses most modern and fast audio codecs, it internally supports WMA 9 format, for MP3-encoding it uses fast LAME encoder 3.93, for OGG encoding it uses last Vorbis SDK updates.

ID3 Tag v2 Support
Program supports ID3 Tag v2, you can easily transfer all most useful tag fields from one format to another.

Winamp playlists support

Application allows you to create (or append to) Winamp playlists and load files from them to conversion list when using batch conversion.

Filename generation using ID3 Tag
You can use this feature to generate filename and folder's structure using ID3 Tag information such as artist's and album's name, track's title, genre and track's number.

Windows XP compatibility
If you use new Windows XP system all conrols in application have XP-style look and feel.

Eligible Price
You can get it all with life-time technical support and all future updates for only
o $24.95 US Dollars
o €21.95 Euro
o £14.95 UK Pounds
