Key Features

Convert Video between Almost Any Formats:

HD Video (inc. AVCHD, MPEG-2 HD and WMV HD), TOD, MOD, M2TS, AVI (DivX, Xvid, etc.), MP4 (inc. Sony PSP and Apple iPod), WMV, 3GP, QuickTime (MOV, QT), SWF, DVD, VOB, VRO, MPEG-1, 2, 4, H.263, H.264, Real Video, DVR-MS, MKV, FLV

Convert within Minimum Time

Benefit from batch and multithreading conversion. Make the most of your multi-core processor power.

Create Your Own DVDs

from video files of all supported formats. Use DVD menu templates. Split your movie into chapters. Watch them on your home DVD player.

Manage Videos from HD-Cameras

Key HD-Formats are supported: AVCHD, MPEG-2 HD, WMV HD, TOD, MOD, M2TS, M2T, MTS, HDV. Edit, split, trim HD-videos, add text & effects and convert them to DVD or any other supported video format. Burn a DVD-disc and watch it on your DVD-Player.

NEW! Microsoft Windows 7 Support

AVS Video Converter is compatible with the latest version of Microsoft Windows.

Convert & Edit Your Blu-ray Video

Convert from/to Blu-ray format. Cut, apply effects, add ready Blu-ray menus and burn Blu-ray discs.

Convert Video to iPhone

Convert videos to iPhone format. iPhone 3G and 1st gen iPhones are supported for direct uploading with no additional application.

Please note, that you need to use Apple iTunes to upload your converted video files to iPhone 3GS and iPhone 3G with firmware 3.x and higher.

Output Videos to Various Devices:

iPod, iPhone, PSP, Zen, PS3 (HD support), Xbox (HD support), Archos, phones, DVD/MPEG-4 players (with DivX/Xvid support) and portable media players.

Make Videos Ready for Website

Flash SWF, Real Video or WMV movies.

Extract Audio and Images from Video

Save audio streams as audio files, save single frames as images.

Edit Fast and Precisely with a Timeline

Delete unwanted parts. Split and join video files. Rotate, add titles and credits, apply more than 50 audio and video effects to your movies.

Batch Mode Support

Convert several video files at once. Join several video files and make one DVD.

Safe to Install, Viruses-free

We respect your privacy. So there are no spyware and adware.

Multilingual Support

AVS Video Converter interface and tech-support are available in English, French, German, Spanish and Italian.
