Why choose Blu-ray TO HDD?

- Converts Blu-ray to mkv. file
- Converts Blu-ray to ts. file
- Supports the conversion of latest Blu-ray movies
- Removes copy protections like AACS, BD+ with a third-party Blu-Ray/HD DVD Copy Helper
- Rips with high definition and highest rate.
- Fast converting speed
- Free technical support

Blu-ray TO HDD is powerful Blu-ray ripping software with the ability to convert Blu-ray movies to mkv or ts files. Now you can enjoy any Blu-ray movie on PC with software player (like KMplayer, Mplayer and PowerDVD), or on TV with a HDD player (MVIX, TVIX). The built-in engine will ensure a perfect conversion of almost any popular Blu-ray movie. Its fast converting speed and user-friendly interface will make the converting process easy and fun.
