Perfect one-stop solution for blu-ray discs and DVDs, Bluray Ripper makes sophisticated Blu ray technology easy to handle. Bluray Ripper helps you to watch the HD movies even without a blu-ray player. It rips/converts blu-ray discs and DVDs to AVI, MPEG, MP4, WMV, FLV, MKV, MOV, RM, 3GP, SWF, ASF, MP3, WMA, WAV, RA, OGG, , etc.

Preview the movie before ripping/converting, clip any segment from the whole movie, snapshot the moving pictures in preview, customize video quality, video size, audio quality and audio channels, support batch converting, automatically shutdown the computer after converting has been finished, etc.

Feel sorry about the precious blu-ray discs damaged by your naughty kids? Want to see the HD movie without a blu-ray player? Bluray Ripper,can help you.
