The Ultimate Movie Experience on the PC

All-in-one DVD Suite 7 supports leading video and audio formats, to deliver the total movie experience. Be inspired watching your favorite movies in perfect clarity and extend your movie experience with DVD Remix features.

Blu-ray & DVD Movie Playback: Entertainment and Inspiration

- **High-Definition Movie Content:** Enjoy the latest and greatest in video quality including AVCHD and Blu-ray Discs.
- **Advanced Video Technologies:** See the beauty in each shot of every scene with TrueTheater™ Technology.
- **Home Theater Audio:** Enjoy movies on the PC as if you are right at the cinema, with support for Dolby Digital 5.1, 2-channel DTS, and other home theater technologies.
- **Smart DVD Utilities:** Save battery power on your notebook, move language subtitles, and auto loop a section of dialog with PowerDVD's award winning DVD controls.

Movie Remix: Extend your DVD Experience

- **Movie Remix:** Put your own touches to a movie by rearranging scenes, adding subtitles, and recording a voice-over.
- **Watch other People's Remixes:** Download remixes from MoovieLive and see what other people have created.
- **Share your Remixes Online:** Upload your remixes to MoovieLive and let others share in your unique vision.

Movie Collection: Catalog your Movie Information

- **Movie Collection:** Create a collection of movies, and keep a record of your viewing experience. Gather data and trivia about the DVDs you watch.
- **Reviews & Ratings:** Write reviews about the movies you've seen. Give a quick 5-star rating and compare that with what others like through the global rating.
- **Quick Movie Stats:** Quickly check how many PowerDVD users enjoy the same movies as you. PowerDVD lets you see the number of viewers, remixes made, reviews written, and DVD owners.

Blu-ray Advisor: Test if Your System is HD-Ready

- **Blu-ray Software & Hardware Compatible:** Confirm that your PC is ready to run Blu-ray Discs.
- **Tips for Getting Blu-ray Ready :** Receive advice on how to upgrade your system.
