Key Feature

DRM Removing

Whether the "Fair Use" of iTunes' .m4p music .m4v video .m4b audiobook, or the "Play for Sure" of Windows Media protected .wma .wmv files, or even BBC iPlayer WMV, Audible Audiobook AA, now DRM will be no longer the sham to deprive our fair usage rights, Media Converter Ultimate will disable DRM license easily.

- DVD Ripping

Don't you agree that CSS copy protection should by no means be in the way by which we make DVD backup on computer and stream to our portable players? Media Converter Ultimate will rip DVD to the Video/Audio files you want.

- DVD Burning

Got media library downloaded from all over the internet, or recorded piles of HD home movie with camera or camcorder? Then why not convert, edit to share on YouTube or burn them to DVD disk with Ultimate for long term reserve?

DVD Ripping, DVD Burning

Video & Audio Converting

So many kinds of video format and so many brands of portable device, which for what? Here you go with the right answer from Ultimate with 50+ media formats supported.

- Mobile Device Syncing

Sick and tired with iTunes' stiff and exclusive transferring profile? It won't be a pain any more, as this Ultimate has direct tunnel extended for easy syncing with various players like iPod, iPhone, Zune, PSP, Blackberry, Nokia etc.

- Intelligent Performance

Daniusoft's newest multithread technology makes quick work of the toughest computing tasks like Hi-Def video encoding for sharing on DVD. The enhanced intelligent core engine increased the overall performance 3X.

Less is More

Less program files size, more hard drive space; Lower CPU usage rate, higher multitask speed; Less conversion period, more enjoyment time; Less investment you bid, more return from Daniusoft.

The Ultimate of Your Digital Art Life

A delicate balance between solid DIY pleasure and professional operating experience was achieved effortlessly with streamlined GUI and pacesetting multi-thread technology.
