Looking for a quick way to back-up your videos to DVD? With **Dazzle DVD Recorder**, anyone can transfer video to a DVD using a PC—no experience required. Simply connect a VCR, DVD player, camcorder or other video device to the Dazzle USB hardware. Then use Pinnacle Instant DVD Recorder software to create a DVD recording complete with menus and chapter at the click of a button. You can burn your video directly to a DVD without first copying files to the PC hard drive, saving both valuable time and space. The DVD can be played on any home DVD player. DVD burning has never been so easy thanks to the Dazzle DVD Recorder.

Quickly transfer and share your videos on DVD with **Dazzle DVD Recorder**. Thanks to its plug-in-play simplicity and a step-by step guide, copying your home movies from almost any video device to DVD has never been easier or faster.

### **So easy to get started**

Simply connect your VCR, DVD player, camcorder or almost any other video device to your Dazzle capture cable.

### **Instant safeguard**

Burn videos direct from video source to DVD to preserve your memories.

### **Ready for the big screen**

All your videos are now saved on DVDs which you can watch on any home DVD player.
