With **Dazzle Video Creator Plus**, anyone can produce great looking movies to share with family and friends. No prior video editing experience is required. Simply transfer videos to the PC. Create a DVD backup of your video using Pinnacle Instant DVD Recorder or use Pinnacle Studio software to quickly edit your movie. Pick from an extensive library of music backgrounds, transitions and effects for amazing results. Share your masterpiece directly on the web with our one-click upload to YouTube™ or transfer your video to your Apple iPod or Sony PSP. iPod video transfer has never been so easy thanks to the Dazzle Video Creator Plus.

Dazzle Video Creator Plus combines a high-quality video capture device with easy-to-use video editing software. It has never been easier to impress your friends and family, anytime, anywhere, with great looking videos.

So easy to get started

Simply connect your camcorder, VCR, DVD player, or almost any other video device to your Dazzle capture cable.

Instant safeguard

Don't have time for editing? Save videos direct from tape to DVD to preserve your memories.

Be the director

Drag, drop, trim and tweak your videos with Pinnacle Studio; choose from an extensive library of music backgrounds, transitions and effects for amazing results.

Ready for the big screen

Enjoy your DVDs on any PC or on your TV in the comfort of your living room.

Videos everywhere

Share your masterpiece directly on the web with one-click upload to YouTube™, or output them to your Apple iPod® or Sony PSP®.
