iTake DVD Ripper is a powerful DVD ripping software to rip and convert DVD movies to almost all video and audio formats (rip DVD to AVI, DVD to MP4, DVD to MPEG, DVD to WMV, DVD to DivX; convert DVD to MP3, DVD to WMA, etc.) with high ripping speed and exceptional quality

As a remarkable DVD ripping software, you can also enjoy your entire DVD collection on multimedia players such as iPod, iPhone, Apple TV, PSP, PS3, Windows Mobile phone, Xbox and mobile phones. All can be made possible with iTake DVD Ripper! Moreover, owning iTake DVD Ripper, extracting movie scenes as static pictures is also effortless

In addition, iTake DVD Ripper provides powerful and professional movie editing functions : crop video, trim video, adjust artistic effects, add watermarks, multiple subtitle and audio files to movies, plus much more. With this useful software, only a few clicks can finish the conversion task successfully. Free Technical Support and Lifetime Free Upgrade let you feel reassured to use this DVD Ripper software after your purchase.

Backup your precious DVD in your computer in case of accidental damage, and save them for future use.
