This pack contains both DVD to iPod and DVD to PSP in fantastic money saving bundle. You get both products at a fantastic knock down price. DVD to iPod creates high quality iPod video files. DVD to PSP creates amazing quality PSP video files, including resolutions up to 480x272 and 720x480. Both software products use our state of art encoding engine and award winning graphical user interface. You do not need a degree in video editing knowledge to use our software. It's as easy as click and go.
