[Video Converter](#) + [DVD Ripper](#)

Easy Media Converter Suite can help you convert video, audio, and rip DVD for common purposes on Windows OS. It serves as a universal AVI Media Converter as well.

Intention to provide the easiest media converter solution, the Suite includes two easy media converters: Video Converter and DVD Ripper. Both support over a hundred video and audio formats, allow you to enjoy DVD movies, videos and audios anytime anywhere. More important, the optimized profiles are also provided for various devices, such as iPod, iPhone, PSP, PS3, Zune, Apple TV, Mobile Phone, Windows Mobile, Xbox, Wii and PMP.

In this super media converter suite, you will also find powerful video editing features, such as video effect adjustment, duration trimming, video cropping, watermark creation and codec parameter settings.

Key Features

Decrypt, copy and rip DVD movies

Rip DVD (whether CSS-protected or not) to AVI, MP4, WMV, FLV, RMVB, MPEG, 3GP, MKV, etc. formats. Be able to make HD video with corresponding profiles.

Convert video and audio between popular formats

Easy Media Converter Suite can convert between video (AVI, MP4, WMV, FLV, RMVB, MPEG, 3GP, MKV, etc.) and audio (MP3, WMV, WAV, AAC, OGG, M4A, etc.) formats at once.

Fast output to various multimedia devices

This super media converter suite provides abundant tested profiles suitable to many popular multimedia devices, including iPod, iPod Touch, iPhone, iPhone 3GS, PSP, PS3, Zune, Apple TV, Mobile Phone, Windows Mobile, Pocket PC, Xbox, Wii, Archos, Creative Zen and iRiver.

Apply Effect, Trim, Crop and Watermark

In this versatile video media converter, powerful video editing functions are available: adjust video effect in brightness, contrast and audio volume, cut video duration in milliseconds, crop video size and change aspect ratio as well as add image or text watermark.

Merge multiple files into one single file

For multiple files of different formats, you can merge into one video. In DVD ripping, you can select some of the chapters and join them as well. This easy media converter suite will convert DVD/video in batch along with multiprocessing to save your time.

Built-in preview and one-click screenshot Play DVD and video then snap screenshots to be saved as JPEG, BMP or THM image files.
