Moyea Blu-Ray Ripper is a professional Blu-Ray Ripper software, this Blu-Ray tool can give you all solutions to decrypt Blu-ray or DVD, backup Blu-ray or DVD to computer, rip and convert Blu-ray or DVD movie to play on iPad, iPod, iPhone, Archos, Nexus one, Droid, HTC Hero, PSP, Xbox 360, WD TV, Apple TV, Popcorn Hour, Egreat, etc with lossless quality. You could use this program to compress big Blu-Ray (*.m2ts) files to smaller size for burning to DVD.

Moyea Blu-Ray Ripper is a necessary and ideal tool for Blu-Ray lovers who want to remove AACs, copyright, region code, BD+ protection from Blu-Rays for backuping to hard drive or for converting to MKV, VOB, FLV, MOV, WMV, AVI, MP4, 3GP, etc with high quality. Moyea Blu-Ray Ripper even helps to rip Blu-Ray, DVD movie with chapters, desired subtitle and audio language like English, French, etc.

Key Features

Remove Blu-ray, DVD's encryption for backup

Blu-ray, DVD with encryption could annoy the guy who wants to edit, compress, and make a backup. Now Moyea Blu-Ray Ripper is powerful enough to remove AACs, BD+, region code, copyright up to MKBv12 and above with ease. Then you can do further editing with professional software, compress big Blu-ray, DVD to small size, and backup to PC or external hard drive.

Convert Blu-ray, DVD to any other format

Moyea Blu-Ray Ripper supports helping you to rip and convert Blu-ray, DVD movie to any other format like MPEG4, AVI, MKV, MP4, MPEG, FLV, MPG, DivX, Xvid, WMV, ASF, VOB, MOV, AAC, AC3, MP3, WMA, 3GP, etc. And now even if your Blu-ray audio is encoded with Truehd, DTS-HD, Eacs, DTS, etc, the converter can easily detect it and help you convert it.

Show detailed info about subtitle and audio track

When you load a Blu-Ray or DVD movie into the program, you could see the info of subtitle like language, stream ID, and audio track like codec, language, stream ID, and channels at length. Then you can freely choose the language of subtitle (even open or closed caption) you want to show on your video and audio language like English, French, German, etc you need to hear.

Extract audio MP3, WAV, etc from Blu-Ray, DVD

Maybe you just want to get the audio or music from your Blu-ray, DVD movie, and then put it to your MP3 Players for enjoying at bed time, maybe you just need to extract the audio like MP3, WAV, AAC, AC3, FLAC, OGG, etc for re-encoding, no matter what usages, this Blu-ray Ripper could help you extract the audio successfully.

Edit Blu-ray or DVD movie before conversion

If you want to clip some unwanted parts of your movie, please choose Trim. If you need to cut off black tops and bottoms, please select Crop. If you demand to add logo on your videos, please select Watermark. If you have interest to add special effect, please click Effect. If you are eager to remove interlacing from the movie, please don't hesitate to check Deinterlacing.

Set proper settings for different devices

The Blu-ray Ripper itself provides optimized conversion profiles classified by device type; and you can also create your own profiles by customizing existing ones. You can set resolution, codec, bitrate, sample rate, frame rate, channels to get better quality for diverse media players.

Super-fast conversion speed

The multi-thread encoding technology makes the Blu-ray, DVD conversion speed 1.5 or even 2 times faster than its competitors. That is to say, with this faster conversion speed, you can save at least half time to convert a Blu-ray movie with the same size.

Optimized audio and video sync technology

Moyea Blu-Ray Ripper adopted optimized audio and video sync technology, so as to output video with high quality and never let you get into trouble with the audio and video sync issues.

An all-known very easy-to-use program

Based on its intuitive and self-explanatory interface, you can easily find any option you need to edit and convert the videos to the format you want.

Lifetime friendly technical support and update

After successful purchase, you could also get warm follow up, lifetime technical support and free update from Moyea. So you could not only get best products, but also enjoy best after-sale services.
