Shape e-Learning PowerPoint content to video that spans a desktop, a portable and a video-hosting website. The educational edition features a cool verda appearance, yet stays no second to any other of the Moyea PPT to Video Converter family in functionality. Likewise, it can convert a batch of 12 courseware files from PPT to ASF, PPT to AVI, PPT to WMV, PPT to MPEG, PPT to FLV, PPT to MP4, PPT to VOB, PPT to 3GP/3G2, PPT to MOV, PPT to TS, etc.

Syncing every subtlety of an eLearning presentation including animations sounds and movie clips successfully to a video output, the PowerPoint-video course creator grants you a full control of your content on the Web (e.g. YouTube, Blogs and Podcasts), and at any portable like iPod and iPhone.

Key Features

- Convert e-Learning PowerPoint to video of ASF, AVI, MPEG, MOV & more
- Turn PowerPoint courses to DVD/TV-ready video in MPEG, VOB, and AVI
- Convert class PPT content to MP4 video supportable by portable devices
- Retain all PowerPoint originals including animations, sounds & video clips
- Allow random insertion of sounds & images as background of class video
- Customizable profile options to personalize e-Learning video slideshows
- Batch process up to 12 PowerPoint course files to quality videos at once
- Super conversion speed and accurate video result for digital fun in class
