Roxio CinePlayer boasts the highest quality and best performing DVD and video file playback possible on your PC. CinePlayer provides professional-looking video playback with crisp, clear audio - all with an intuitive interface

Streamlined user interface

All the controls you need for DVD playback - when you need them. Navigation controls "auto-hide" in "play" mode for optimal viewing.

Widest compatibility range

Compatible with the widest range of Hollywood DVDs - watch your titles using the same software that Hollywood professionals use to prepare theirs.

- Certified for Windows 7
- All-in-one decoder & player included
- Dolby Digital 5.1 Surround Sound
- Complete PC remote control support

Key Features

Playback

- Plays All DVD-ROM movies, DVD, VCD and SVCD titles
- Remote Control Support
- Dolby Digital 2-channel (Stereo)
