Specially for MKV format, **TOP DVD to MKV Suite** is released! It includes two products of **TOP DVD to MKV Converter** and **TOP MKV Video Converter**. The suite at discount is an all-in-one MKV converter, providing multiple amazing functions.

TOP DVD to MKV Suite supports converting DVD, RM, RMVB, AVI, WMV, MPEG, FLV, VOB and MP4 to MKV at high speed without any loss of quality, and the output files can be uploaded to YouTube.

With the discount of 35%, you can get the two products in one suite simultaneously. More surprise is waiting for you!

Download it for free right now and have a try!

Key Features

The input and output formats supported by TOP DVD to MKV Suite

- Support the input formats of DVD, RM, RMVB, AVI, WMV, MPEG, FLV, VOB and MP4.
- Support the output formats of MKV-H264, MKV-DivX, MKV-MPEG4, MKV-XviD, MKV-MSMPEG-4, MKV-MPEG, MKV-WMV.

Preview the files

- Before conversion, you can enjoy the converted effect due to the previewing function.
- If you like some pictures during previewing, you can also capture them by a snapshot and save them in BMP format.

Auto-shutdown function

- Due to the auto-shutdown function, the computer can be automatically shut down after conversion finished.
- You can leave the computer at any time for something more urgent.

Customize parameters

- The suite provides you the freedom to set the output parameters like audio channel, audio quality, video quality and video size, freely, and the output effect can be more suitable for your portable players.

Clip segments

-
- Click the "clip" button, and you can clip any segment of the input files, and the clipping length can be completely determined by setting "Begin Time" and "End Time".

Batch conversion mode

- Supporting the batch conversion mode, you can convert multiple files at a time by one click.
- Conversion can never be simpler! Moreover, much of your time is saved.

No virus, spyware or adware

- There is no virus, spyware or adware in the suite to threaten your computer, and your computer is in an absolutely safe condition when the suite is running.

Clear-cut and easy-to-use interface

- The suite provides you with a simple and fresh interface presenting you only correct and necessary instructions.
- All you need to do is to follow the instructions given, and you can get what you want easily.
