**Wondershare Ripper Pack Platinum** is a tool bundled by the three most popular and powerful applications: **DVD Ripper Platinum**, **Video Converter Platinum** and **Video to DVD Burner**. It has the complete functions to rip DVD, convert video and burn video files to DVD discs.

With this absolutely super converter pack, you can rip DVD to any video format, convert between various video formats and audio formats for playback on all popular mobile devices, and burn your video files into DVD video slideshows with beautiful transitions and resources to create a DVD menu of your own. By any of the three programs from this pack, you can crop video to remove black edges from video, trim file length to capture your favorite clips, and apply different video effects, etc.

## Key Features
