Burn media files, bootable files, ISO image files or any documents on your hard disk to data CD/DVD for saving and backup.

- **Backup CD/DVD**

Data CD and unprotected DVD can be directly copied from one disc to another for easy backup.

- **Target disc format compatibility**

This CD/DVD burner software has high compatibility with various disc formats including CD-R, CD-RW, DVD-R, DVD+R, DVD-RW, DVD+RW and DVD+R DL.

- **Erase rewritable disc**

Xilisoft Burn Pro helps you erase rewritable disc in the way of fast erase or complete erase effortlessly.

Create and edit ISO image file

Make any files into ISO image, and add/delete/extract files in ISO image file

- **Make any files into ISO image**

For your convenience, this CD/DVD burner software can make any files on your hard disk or CD/DVD disc data into ISO image files.

- **Edit image file**

Edit ISO image files directly in this CD/DVD burn software, and optionally save them or burn them to CD/DVD. You can even extract any files from the image file to the local disk.

Data verify and burn settings

After-burning data verify and more burning settings provided

- **Data verify**

Automatically compare disc data with source data after burning to check whether the target disc data is complete and correct.

- **Burning settings**

The write speed defaults to the maximum speed that the target disc and recorder support, and you can also change burning speed freely. Burning multiple disc copies at one time is supported.

The easiest operation, the fastest speed

Professional design and concise interface make CD/DVD burning easy and handy

- **Fast speed to create CD/DVD/ISO**

High speed engine in this expert CD/DVD burner makes you get the desired CD/DVD or ISO image file with less time than other similar programs.

- **Define after done action**

Specify an after done action before burning to exit program, shut down, hibernate or stand by automatically once the CD/DVD burning completed. More time and resources saved.

- **View burn progress**

Detailed burning progress including remaining time and size, percentage completed, etc. will be shown for your reference.

- **Auto check for updates**

Xilisoft Burn Pro will check for updates according to the period you specify to assure you of the newest version, functions and experience.

- **Multiple languages and skins**

English, German, French, Japanese and Chinese interface languages and several skins are for you to choose.
